Total Marks: (1+1+3+4+6+6)		100

* Only bidders who secure above 70% marks in the technical evaluation will be considered for further evaluation.

FINANCIAL EVALUATION (3rd Stage):

Financial Proposals of only those applicant Agencies who are technically qualified (i.e. obtain a minimum 70% marks in Technical Evaluation) shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

Evaluation Process:

QCBS method will be followed during the overall selection process. The financial bids of technically qualified bidders will be opened on the prescribed date in the presence of bidder's representatives.

The lowest evaluated Financial Bid (F_m) shall be given the maximum financial score (S_f) of 100. The formula for determining the financial scores of all other bids shall be calculated as follows: $S_f = 100 \times F_m / F$, in which "Sf" is the financial score, "Fm" is the lowest price, and "F" the price of the bid under consideration. The weights given to the Technical (T) and Financial (P) Bids shall be:

$$T = 70, \text{ and}$$

$$P = 30$$

Bids shall be ranked according to their combined scores, calculated using the technical score (T) and financial score (Sf) and the weights as follows:

$$S = T \times T\% + S_f \times P\%$$

The bidder, who has the highest score in the QCBS and shall be called for further process leading to the award of the contract. The bid price will include all taxes as applicable and shall be in Indian Rupees. Prices quoted in the bid must be firm and final and shall not be subject to any modifications on any account whatsoever. In case of a tie, the bidder having higher technical score will be considered the preferred bidder.

For the purpose of evaluation, the total evaluated cost shall be inclusive of all taxes & duties for which the Client will make payment to the consultant including overhead expenses.

10. Performance Bank Guarantee (FBG) of contract value.

Within 10 days of notifying the acceptance of a proposal for award of contract, the qualified bidder shall have to furnish Security deposit in the form of a Performance Bank Guarantee amounting to 3% of Total Contract value from a nationalized/scheduled commercial bank in favor of "District Skill Development-cum-Employment Officer, District Mineral Foundation Keonjhar", as per the format at Annexure- II, for a period of three months beyond the entire contract period (i.e. PBG must be valid from the date of effectiveness of the contract to a period of 3 months beyond the contract period) as its commitment to perform services under the contract. Failure to comply with the requirements shall constitute sufficient grounds for the forfeiture of the PBG. The PBG shall be released immediately after three months of expiry of contract provided there is no breach of contract on the part of the qualified bidder. No interest shall be paid on the PBG.

11. Contract Negotiation:

Contract negotiation, if required will be held at a date, time and address as intimated to the selected bidders. The bidder will, as a pre-requisite for attendance at the negotiations, confirm availability of all the proposed staff for the assignment. Representative conducting negotiations on behalf of the bidder must have written authority to negotiate and conclude a contract. Negotiation will be performed, if any and availability of proposed professionals etc.

12. Award of Contract:

After completion of the contract negotiation stage, the Client will notify the successful bidder in writing by issuing an offer letter for signing the contract and promptly notifying all other bidders about the result of the selection process. The successful bidders will be asked to sign the contract after fulfilling all formalities within 15 days of issuance of the offer letter. After signing the contract, no variation or modification of the terms of the contract shall be made except by written amendment signed by both the parties. The contract will be valid for 01 (one) years from the date of effectiveness of the contract.

13. Conflict of Interest:

Conflict of interest exists in the event of:

- Conflicting assignments, typically monitoring and evaluation environmental assessment of the same project by the eligible bidder.
- Consultants, agencies or institutions (individuals or organizations) who have a business or family relation with the Client directly or indirectly; and
- Practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha. The bidders are to be careful so as not to give rise to a situation where there will be any conflict of interest with the Client as this would amount to their disqualification and breach of contract.

14. Disclosure:

- Bidders have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.
- Bidders must disclose if they are or have been the subject of any proceedings (such as blacklisting) or other arrangements relating to bankruptcy, insolvency or the financial standing of the Bidder, including but not limited to appointment of any officer such as a

receiver in relation to the Bidder's personal or business matters or an arrangement with creditors, or of any other similar proceedings.

- c. Bidders must disclose if they have been convicted of, or are the subject of any proceedings relating to:
- i. A criminal offence or other serious offence punishable under the law of the land, or where they have been found by any regulator or professional body to have committed professional misconduct.
 - ii. Corruption including the offer or receipt of an inducement of any kind in relation to obtaining any contract.
 - iii. Failure to fulfill any obligations in any jurisdiction relating to the payment of taxes or social security contributions.

15. Anti-corruption Measure:

- a. Any effort by Bidder(s) to influence the Client in the evaluation and ranking of financial proposals, and recommendation for award of contract, will result in the rejection of the proposal.
- b. A recommendation for award of Contract shall be rejected if it is determined that the recommended bidder has directly, or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question. In such cases, the Client shall blacklist the bidder either indefinitely or for a stated period of time, disqualifying it from participating in any related bidding process for the said period.

16. Language of Proposals:

The proposal and all related correspondence exchanged between the bidder and the Client shall be written in the English language. Supporting documents and printed literature that are part of the proposal may be in another language provided they are accompanied by an accurate translation of the relevant passages in English with self-certification for accuracy, in which case, for the purposes of interpretation of the Proposal, the translated version shall govern.

17. Cost of bidding:

The Bidder shall bear all costs associated with the preparation and submission of its proposal. The Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process. Bidders is/are not allowed to submit more than one proposal under the selection process. Alternate bids are also not allowed.

18. Legal Jurisdiction:

All legal disputes are subject to the jurisdiction of District Session Court, Keonjhar only.

19. Governing Law and Penalty Clause:

The schedule given for delivery is to be strictly adhered to in view of the strict time schedule. Any unjustified and unacceptable delay in delivery shall render the bidder liable for liquidated damages and thereafter the Client holds the option for cancellation of the contract for pending activities and complete the same from any other agency. The Client may deduct such sum from any money from their hands due or become due to bidder. The payment or deduction of

such sums shall not relieve the bidder from his obligations and liabilities under the contract. The rights and obligations of the Client and the bidder under this contract will be governed by the prevailing laws of Government of India / Government of Odisha. Failure on bidder's part to furnish the deliverables as per the agreed timeline will enforce a penalty @ 1% per week subject to maximum of 10% of the total contract value. The amount will be deducted from the subsequent payment. In addition, the PBO amount shall also be forfeited. The decision of the authority placing the contract, whether the delay in development has taken place on account of reasons attributed to the bidder shall be final.

20. Confidentiality:

Information relating to the evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of contract. The undue use by any Consultant of confidential information related to the process may result in rejection of its proposal and may be subject to the provisions of the Client's antifraud and corruption policy. During the execution of the assignment except with prior written consent of the Client, the consultant or its personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the contract.

21. Amendment of the RFP Document:

At any time before submission of proposals, the Client may amend the RFP by issuing an addendum through website www.Keonjhar.odisha.gov.in. Any such addendum will be binding on all the bidders. To give bidders reasonable time in which to take an addendum into account in preparing their proposals, the Client may, at its discretion, extend the deadline for the submission of the proposals.

22. Client's right to accept any proposal, and to reject any or all proposals:

The Client reserves the right to accept or reject any proposal, and to annul or amend the bidding/selection/evaluation process and reject all proposals at any time prior to award of contract award, without assigning any reason there of and thereby incurring any liability to the bidders.

23. Copyright, Patents and Other Proprietary Rights:

SECTION - 3
Terms of Reference (ToR)

1. Introduction

Keonjhar is rich in mineral resources with diverse flora and fauna abundantly available across the forest region of the District. In the District, there are many varieties of herbal plants, roots and fruits available inside forest fringed areas and across community forest land. Keonjhar has 29.17 percent geographical area is covered under forest and 45.45 percent of population belong to Scheduled Tribe category.

Keonjhar is one of the major mineral-producing Districts of Odisha. Iron ore, Manganese ore, Chromite, Quartzite, Bauxite, Gold, Pyrophyllite, and Lime Stone are the major minerals found in this District. The Kalinga Iron Works (Barbil), Ferro Manganese Plant (Joda), Ipatite (Baleipada), and Charge Chrome (Brahmanisipal) are the major names in the industrial scene of Keonjhar. There are also engineering and metal-based industries (53 numbers), chemical and allied industries including plastic industries (48 numbers), and agro and marine-based industries (241 numbers) functioning in this District.

2. Rationale for the Program

Odisha is rich in mineral resources such as coal (27.3% of India's reserves), iron ore (36% of India's reserves), copper ore (18.5% of India's reserves), Uranium, Mica, Bauxite, Granite, Limestone, Silver, Graphite, Magnetite, and Dolomite. Since Odisha has around 40% of the country's mineral wealth, its extensive mineral resources make mining, metal, and related sectors especially lucrative for investments. Odisha is the only State in India to produce coking coal, uranium, and pyrite. The state is also leading producer of coal, mica, kyanite, and copper.

Vocational and technical learning takes place outside formal institutions as well. In many cases, it is carried on from one generation to another. Some learn it on their own without any training or organizational support. Others are trained in a vocation while working on the job.

In Odisha, about 2% of the people i.e. 3.4% males and 0.6% females, have received vocational/technical training outside formal institutions. In comparison to the rural areas, the urban areas of the state have a larger percentage of people who have received vocational/technical training from places outside the formal institutions. About 5.7% of the people living in urban areas have received vocational/technical training from places outside the formal institutions while only

1% of the people living in rural areas have done so. Gender discrimination is visible in the acquisition of skills from places outside formal institutions. (Source: Odisha Economic Survey 2022)

So, Skill training is required to meet the industry demand and youth aspiration in Odisha and particularly in Keonjhar.

3. Objective of the Project

- To focus on capacity building of fresh youth for the creation of a skilled workforce for the Iron and Steel and related engineering sector.
- To enhance productivity by reskilling/upskilling of the existing workforce.
- To reduce non-desirable operational expenses and accidents inefficiencies by reinforced training.
- To improve efficiency by the inclusion of soft skills, entrepreneurship, digital literacy, and English language skills in the training curriculum.
- To contribute by improving the employability of the youth of the district under the Skill India Mission.

4. Proposed Geography

The project will be implemented in mining affected villages of Keonjhar. The local unemployed school/college dropout/passed youth (all genders aged between 18 to 45 years) from the directly mining affected villages identified as per ODMF Rules, 2024 are eligible to receive the training in iron and steel sector.

5. Duration of the Project

The project shall be valid for an initial period of **One (01)** year from the date of its execution and is subjected to extension for next two years based on satisfactory performance by the selected agency and availability of fund with DMP Keonjhar.

6. Implementation Strategy

• Mobilization:

Mobilization is essentially a process for reaching out to different sectors of a community and creating partnerships in order to focus on, and ultimately address, a pressing issue such as livelihood up gradation through skill-based training. Community mobilization can be done by empowering community members and groups to act to facilitate change. This includes mobilizing necessary resources, disseminating information, generating support, and fostering cooperation across public and private sectors in the community.

• Training content

ISSSC has created and also is in continuous process of updating and creating the content needed for effective delivery of training programs. As per the need of the project the content shall be created in a manner to support the participants at large. The content shall include handbooks, ppt and audio-visual content as well. Training content development with inputs from the industry to meet the global best practices has been specially developed. Updating, translation and customization of the training content is

continuously ensured to remain current and meet industry specific needs.

- **Trainer Identification and Trainer Development**

Trainer is the key to any of skill training program. The identification of trainers is done based on a series of interviews and tests, which include psychometric and domain evaluations.

These trainers are then put on systematic Training of Trainer programs which include domain and platform trainings. This training is needed on what to train, how to train, effective utilization of resources etc.

- **Training Delivery**

The training will be imparted both through classroom as well as practical trainings.

The stakeholder's perception will be analysed to prepare the training manuals and impart the training. A batch of 25-30 candidates are suggested to be trained in one go. The training shall be conducted on following:

- o **Technical Skills:** For each of the trades, special attention to detail is provided to inculcate industry specific technical skills during the entire program duration.
- o **Soft Skills:** English Language, General Knowledge, & Personality Development, Self- management, Workplace etiquette, Group/team behaviour etc. is laid emphasis upon.
- o **Digital literacy –** Computers is the need of the hour and candidates shall be given enough exposure to digital literacy skills as well.

- **Duration of training:** As per the time prescribed.

- **Orientation by industry experts**

In any training the exposure of candidates to industry experts shall add value to the overall training program and grooming of the candidates and finally making them job ready. It is one of the unique ways of training where in industry experts shall be taking virtual classes of the candidates. The master trainers of HSSSC shall also directly interact with the candidates at regular intervals. This will bring in more rigour, motivation, and monitoring on the quality of the trainings.

- **Assessment and Certification**

In NSQF, trainings assessment and certifications are key to any of the training programs.

This also helps to understand the areas of improvement needed by the training providers.

The assessments are conducted by bodies appointed by HSSSC. The entire assessment framework is guided activity and assessments are closely monitored by HSSSC.

The Assessments and certifications shall have following components:

- a. Theory
- b. Skill test or practical test
- c. Viva

9. Monitoring Framework

The selected agency will manage and monitor the entire project and report to Koshkar DNFT as and when necessary or when asked. Following steps will be taken to monitor the project

- Appointing a dedicated Center Manager for the entire duration of the project.
- Updating training reports on a daily basis.
- Monthly assessment recorded in the assessment tool will show the progress.
- Checking the training report with a devised session plan to avoid any delay in the project
- Assuring the presence of trainers on time in the classroom/ onsite.
- Biometric attendance to be compulsory for trainees and trainers.
- CCTV camera monitoring in all the classrooms, labs, and administrative rooms.

- Coordinating with the appointed representatives at the end of the day to update them on the progress.
- Surprise visits by the Executing Agency to check ground reality and share the monitoring report with the DMFT Team.
- Final Assessment by National Council for Vocational Education and Training (NCVT) affiliated Assessment Agency.
- DMF, Keonjhar will have complete access to the training centre or to meet the trainees and take feedback as and when necessary.

10. Sustainability

To make any project sustainable following points should be taken into consideration:

- **Sustained Resources** - Resources in the form of infrastructure, funds, human resources, equipment, etc. will always be required to execute the project. For this, a good partnership is always required with various stakeholders. In this project, we can have a constant and timely release of funds from DMF Keonjhar, CSR (various organizations), State Skill Development Mission, and other government schemes, as applicable.
- **Sustained Capacity** - In order to strengthen the technical & managerial skills of a training partner, various capacity building programs are to be planned on a continuous basis.
- **Sustained Motivation** - Training sessions and post-training activities will be done in a manner that will keep the target beneficiaries (trainees) motivated to attend the whole program. Various district administration officials and experts from the mining industry will be invited for guest lectures on a continuous basis.
- **Sustained Linkages** - Industry linkages for OJT, Placement, Onsite training, etc. will keep the beneficiaries motivated and enhance the capacity of training partners to provide practical & industry related knowledge.
- **Career Strategy**: Throughout the training and post-training completion, the following functions will be performed:
 - i. Monthly internal assessments before the final assessment for practice and better performance.
 - ii. Practical training of a few days in their respective job roles as per the placement company's requirement.
 - iii. Placement in the district as well as outside the district for better opportunities.
 - iv. Post placement tracking for 3 months.
 - v. Handholding support during 3 months to ensure retention.
 - vi. Collecting testimonials from placed candidates and their family members.
 - vii. Felicitation ceremony of placed & retained candidates.
